DIRECT TAX PROPOSALS

Companies

It was announced in the Finance Minister's speech that it is proposed to reduce the tax rates from 30% to 25% over the next four years. The reduction of tax rate is to be accompanied by rationalization and removal of various kinds of tax exemptions and incentives for corporate taxpayers. These changes will be effective from financial year 2016-17.

For domestic companies surcharge is proposed to be increased from 5% to 7% on taxable income above Rs 1 crore but upto Rs10 crores and from 10% to 12% on taxable income above Rs10 crores. No change is proposed in surcharge for foreign companies.

The effective rate of tax for domestic and foreign companies is depicted in Table enclosed.

Income Slab (Rs)	Domestic Company		Foreign Company	
	Normal	MAT	Normal	MAT
Upto 1 Cr	30.90	19.05	41.20	19.05
Between 1 Cr to 10 Cr	33.06	20.39	42.02	19.44
More than 10 Cr	34.61	21.34	43.26	20.01

Individuals/HUF

There is no change in the basic exemption limit and tax rates for individuals/HUF. It is proposed to increase the surcharge from 10% to 12% on taxable income above Rs 1 crore for individuals/HUF.

Notes:

- For resident senior citizens (60 years but less than 80 years) and very senior citizens (80 years or more), the basic exemption limit remains unchanged at Rs 300,000 and Rs 500,000, respectively.
- **Additional surcharge of 2% on super rich's income in lieu of wealth tax abolishment.**

- Education cess will continue to be levied at the rate of 3% of Income Tax (including surcharge).
- The maximum marginal rate will be 34.608%, where taxable income is above Rs 1 crore.

Firms

There is no change in the base tax rates applicable to firms. It is proposed to increase the rate of surcharge from 10% to 12% on taxable income above Rs1 crore. Hence, the effective tax rate under normal provisions and AMT will be 34.61% and 21.34%, respectively, where the income exceeds Rs1 crore.

Co-operative Societies

There is no change in the base tax rates applicable to co-operative societies. It is proposed to increase the rate of surcharge from 10% to 12% on taxable income above Rs 1 crore.

Exemption for transport allowance

Exemption for transport allowance is to be increased from Rs 800 per month to Rs 1,600 per month as per the Finance Minister's speech.

Deductions to encourage savings

The overall limit of deductions available for specified savings referred to in section 80C, 80CCC and 80CCD (1) of the Act is Rs 150,000. Amendments have been made in some of these sections that allow flexibility of saving in these schemes:

• *Deposit under Sukanya Samriddhi Account scheme*

Currently, investment in Sukanya Samriddhi Scheme is eligible for deduction subject to limits applicable under section 80C of the Act (Rs 150,000) in respect of subscription to such scheme made in the name of the individual taxpayer.

It is proposed that such subscription can be made even in the name of a girl child of the individual taxpayer or in the name of a girl child of whom taxpayer is the legal guardian. It is also proposed that any payment received from the account opened in accordance with the scheme will be exempt from tax. The proposed amendments will be retrospectively effective from financial year 2014-15.

• *Deduction for contribution to certain pension fund*

Currently, deduction upto Rs 100,000 is allowed in respect of contributions made to specified pension funds. It is proposed to increase the limit of such deduction to Rs 150,000.

Deduction for contribution to pension scheme

Currently, deduction is allowed for contribution to notified pension scheme of Central Government upto 10% of salary or 10% of the gross total income. This was limited to Rs 100,000, which is now proposed to be removed. It is now proposed that an additional Rs 50,000 savings be subject to deduction in addition to the overall limit of savings under section 80C, 80CCC and 80CCD (1). Thus, the overall savings under section 80CCD has now increased from Rs 150,000 to Rs 200,000.

Deduction for health insurance premium

Currently, deduction upto Rs 15,000 is allowed for health insurance premium paid for self and family and an additional Rs 15,000 is allowed for health insurance premium for parents. It is proposed to increase the limit of such deduction to Rs 25,000 as per Finance Minister's speech. It is further proposed to increase the limit of such deduction for senior citizens from Rs 20,000 to Rs 30,000.

Additionally, it is proposed to provide a deduction of Rs 30,000 to an Individual for any payment made for medical expenditure in respect of very senior citizen for whom no health insurance premium is paid. The aggregate deduction available to any individual for health insurance premium and medical expenditure will be limited to Rs 30,000 for self/ family and Rs 30,000 for parents.

Deduction for dependent person with disability

Currently, deduction is allowed to a resident individual of `50,000 for a dependent person with disability and `100,000 with severe disability. It is proposed to increase the limits to Rs 75,000 and Rs 125,000, respectively.

Deduction in respect of medical treatment

Currently, deduction of Rs 40,000 is allowed to a resident individual for self or dependent and Rs 60,000 for senior citizen for specified medical treatment only when a certificate is obtained from a specialist in a Government hospital and is furnished with the return of income.

The above limits will remain the same and it is proposed to increase the limit to Rs 80,000 in case of medical treatment of a very senior citizen. It is further proposed to do away with the requirement of furnishing the certificate and a prescription in prescribed form for such treatment from a specialist is to be obtained.

Deduction in case of a person with disability

Currently, deduction of ₹50,000 is allowed to a resident individual with disability and Rs 75,000 with severe disability. It is proposed to increase the limits to Rs 75,000 and Rs 125,000, respectively.

Collation of proof by the employer for providing deduction from salary income

Currently, there is no uniformity regarding the documents to be obtained from the employee for allowing deductions, exemptions and set-off of losses while computing the tax to be deducted. It is proposed that the employer, prior to allowing deductions or exemptions, will obtain the proofs from the employee in a form and manner as may be prescribed. The proposed amendment will be effective from 1 June 2015.

TDS on pre mature withdrawal of employees Provident Fund

Currently, the tax to be deducted on Provident Fund withdrawal is to be calculated by re-computing the tax liability of the years for which the contribution was made. It is difficult for the central trustees of EPFS to obtain past information. It is proposed that trustees of EPFS will deduct tax at the rate of 10% on the taxable withdrawal amount above ₹30,000. It is further proposed that if the person withdrawing the Provident Fund fails to furnish PAN to the trustees, tax will be deducted at the maximum marginal rate.

The proposed amendment will be effective from 1 June 2015.

Corporate Taxation

Deferment of General Anti Avoidance Rule (“GAAR”) provisions

In order to ensure that GAAR provisions are implemented as part of a comprehensive regime to deal with Base Erosion and Profit Shifting and aggressive tax avoidance, it is proposed that implementation of GAAR be deferred by two years. GAAR provisions to be made applicable from the assessment year 2018-19 and subsequent years.

The Finance Minister in his speech has indicated that the investments made up to 31 March 2017 will not be subject to GAAR.

Additional investment deduction of 15% income development which will be cheered by the

It is proposed to insert a new section 32AD in the Act to provide for an additional investment allowance of an amount equal to 15% of the cost of new asset acquired and installed by an assessee, if:

- an undertaking or enterprise for manufacture or production of any article or thing is set up in any notified backward areas in **Andhra Pradesh and Telangana** during the period beginning from 1 April 2015 and ending on 31 March 2020. This deduction shall be available, under similar conditions prescribed, and over and above the existing 15% deduction available, under section 32AC of the Act (subject to fulfillment of specified conditions under both the sections).

Additional conditions prescribed to be fulfilled by the approved in-house R&D facility

Section 35(2AB) provides for 200% weighted deduction in relation to expenditure incurred on approved in-house R&D facility, subject to conditions.

It is proposed that to avail the benefit, the company shall have to fulfill such conditions with regard to maintenance of accounts and audit thereof and furnishing of reports in such manner as may be prescribed.

Additional Depreciation at the rate of 35% for investment in Andhra Pradesh and Telangana

Currently, an additional depreciation of 20% is allowed in respect of the cost of new plant or machinery (other than a ship and aircraft) acquired and installed by assesses engaged in manufacturing or power business.

It is now proposed to allow higher additional depreciation, subject to similar conditions, at the rate of 35% (instead of 20%) where an assessee acquires and installs new plant or machinery (other than a ship and aircraft) in a manufacturing undertaking or **enterprise set up in the notified backward area of the State of Andhra Pradesh or the State of Telangana on or after 1 April 2015 and ending before 1 April 2020.**

Allowance of balance 50% additional depreciation

Currently, the additional depreciation of 20% of cost of new plant or machinery is restricted to 50% of the eligible amount when the new plant or machinery acquired and installed by the assessee, is put to use for less than 180 days in the previous year. The balance 50% depreciation is deferred for claiming under normal depreciation route.

It is now proposed to provide that the balance 50% of the additional depreciation on new plant or machinery acquired and used for less than 180 days which has not been allowed in the year of acquisition and installation of such plant or machinery, shall be allowed in the immediately succeeding previous year.

Share of profit of a member in AOP is to be excluded from MAT, corresponding expenditure, if any, to be disallowed.

It is proposed that the share of income of a member of an AOP on which no income tax is payable, if credited to the profit and loss account, will be reduced from the book profit for MAT purposes. The corresponding expenditure, if any, debited to the profit and loss account is to be added back.

Formula for computing ‘amount of tax sought to be evaded’ introduced for levy of penalty

Currently, “amount of tax sought to be evaded” has been defined, inter-alia, as the difference between the tax due on the income assessed and the tax which

would have been chargeable had such assessed income been reduced by the amount of concealed income.

It is proposed that the 'amount of tax sought to be evaded' be determined in accordance with the following formulae:

$$(A - B) + (C - D)$$

Where:

A= amount of tax on total assessed income under normal provisions

B= amount of tax on (total assessed income less concealed income)

C= amount of tax on total assessed income under Section 115JB or 115JC of the Act

D= amount of tax on (total assessed income under Section 115JB or 115JC of the Act

less concealed income)

It is proposed that the amount of tax sought to be evaded shall be the summation of tax sought to be evaded under the general provisions and the tax sought to be evaded under the provisions of section 115JB or 115JC of the Act. However, amount considered to be concealed under both, the general provisions as well as under provisions of section 115JB or 115JC, shall be ignored for the purpose of D above.

If section 115JB or 115JC is not applicable, the computation of item (C-D) in the above formula will be ignored. It is further proposed that:

Where due to additions made in assessment, loss is reduced or converted in profit, the formulae (A - B) shall be the tax on the amount of such additions.

Non-resident taxation

POEM introduced as test of residence for foreign companies

It is proposed to amend the test of residence for foreign companies to provide that a company would be treated as resident in India if its place of effective management is in India at any time in that year.

“Place of effective management” has been defined to mean a place where key management and commercial decisions that are necessary for the conduct of the

business of an entity as a whole are, in substance made. A set of guiding principles to determine POEM is also proposed to be issued.

Clarifications on indirect transfer provisions

Currently, share or interest in a company or an entity outside India is deemed to be situated in India if such share or interest derives its value substantially, either directly or indirectly, from assets located in India. Capital gains arising from transfer of such share or interest ('indirect transfer') is liable to tax in India.

It is now proposed to provide clarifications on certain terms referred in said provisions. It is proposed that the share or interest of a foreign company or entity shall be deemed to derive its value substantially from the assets (tangible or intangible) located in India, if on the specified date, the value of Indian assets:

- (a) Exceeds Rs 10 crores; and
- (b) Represents at least 50% of the value of all the assets owned by the foreign entity.

It is proposed that only such part of the income arising from indirect transfers as is reasonably attributable to assets located in India will be deemed to accrue or arise in India and will be determined in such manner as may be prescribed.

It is also proposed to grant exemption from taxation of capital gains arising from indirect transfers in the following scenarios:

- Foreign entity that is transferred directly owns Indian assets - Where the transferor of shares or interest in the foreign entity (along with associated enterprises) does not have the right of control and management over the foreign entity and does not hold more than 5% voting power / share capital / interest in such foreign entity.
- Foreign entity that is transferred indirectly owns Indian assets through another company - Where the transferor of shares or interest in the foreign entity (along with associated enterprises) does not have the right of control and management over the foreign entity and other company and does not hold more than 5% voting power / share capital / interest / in the foreign entity / other company.
- Transfer of shares or interest in a foreign company under a scheme of amalgamation or demerger, subject to conditions.

The law proposes reporting obligation on the Indian entity as may be prescribed. It is proposed to levy penalty on the Indian concern through or in which the Indian assets are held by the foreign company, who fails to furnish information or document as required for the purpose of determination of income arising under section 9(1)(i). The penalty will be equal to 2% of the value of transaction, if such transaction had the effect of direct or indirect transfer of management or control in relation to the Indian concern, and in any other case, the penalty will be Rs 500,000.

In the Budget speech, the Finance Minister has also clarified that applicability of indirect transfer provisions to dividends paid by foreign companies will be addressed through a clarificatory Circular.

Source rules for interest received by a non-resident

There is no specific provision in the Income Tax Act dealing with interest payments from an Indian branch to foreign head office or foreign branches, especially in case of banks.

It is proposed to provide that in case of a non-resident engaged in business of banking, any interest payable by the PE in India to its head office, other branches or any other part of the non-resident outside India shall be deemed to accrue and arise in India. Consequently, such interest income will be taxable in India in the hands of the head office in addition to any other income attributable to the PE in India.

It is further proposed that the PE in India and the non-resident will be deemed to be separate persons. Therefore, provisions relating to computation of total income, determination of tax and withholding tax will apply accordingly.

Rate of tax on royalty and FTS

Currently, income in the nature of royalty and FTS earned by non-residents from Government or Indian concern, which is not effectively connected with PE, is taxable at the rate of 25%. It is proposed to reduce the tax rate on such royalty and FTS from 25% to 10%.

MAT provisions relating to FIIs

It is proposed to amend the provisions of MAT to provide that income from transactions in securities (other than short-term capital gains arising on transactions on which securities transaction tax is not chargeable) arising to a

FII, shall be excluded from the chargeability of MAT and the profit corresponding to such income shall be reduced from the book profit.

Interest on rupee denominated bonds and Government securities

Beneficial tax rate of 5% on interest payable to FIIs and QFIs in respect of investments in rupee denominated bonds of an Indian company or Government securities proposed to be extended till 30 June 2017.

The proposed amendment is applicable from 1 June 2015.

Fund managers in India not to constitute business connection of off-shore funds

In order to facilitate location of fund managers of off-shore funds in India, a special regime has been proposed to ensure that the fund management activity of an 'eligible investment fund' carried out by an 'eligible fund manager' will not constitute business connection in India of the said fund.

Moreover, an eligible investment fund will not be said to be resident in India merely because the eligible fund manager is situated in India. An offshore fund will qualify as 'eligible investment fund' for this purpose if it fulfils certain criteria, viz.:

- a) The fund qualifies as non-resident in India, is resident of a country with which India has entered into a tax treaty, and is subject to applicable investor protection regulations in such country.
- b) The direct or indirect participation or investment by India tax-residents in the fund should not in aggregate exceed 5% of its corpus.
- c) The fund must have at least 25 members not connected to each other, with no individual member having participation interest exceeding 10%; and the aggregate participation interest (direct or indirect) in the fund of any ten or less members (along with their connected persons) shall be less than 50%.
- d) The fund must not invest more than 20% of its corpus in any entity, should not make any investment in its associate entity, and should not carry on or control and manage (directly or indirectly) any business in India or from India in a way that will constitute

business connection in India (other than the activities undertaken by the eligible fund manager on its behalf)

- e) The monthly average of the corpus of the fund shall not be less than one hundred crore rupees and if the fund has been established or incorporated in the previous year, the corpus of fund shall not be less than one hundred crore rupees at the end of such previous year; and
- f) The eligible fund manager is remunerated at arm's length price.

A person will qualify as 'eligible fund manager' if:

- a) the person is not an employee of the eligible investment fund or a connected person of the fund;
- b) the person is registered as a fund manager or investment advisor in accordance with the specified regulations;
- c) the person is acting in the ordinary course of his business as a fund manager;
- d) the person along with his connected persons shall not be entitled, directly or indirectly, to more than 20% of the profits accruing or arising to the eligible investment fund from the transactions carried out by the fund through such a fund manager.

These provisions will not have any impact on taxability of any income of the eligible investment fund which would have been chargeable to tax irrespective of whether the activity of the eligible fund manager constituted the business connection in India of such fund or not.

These provisions will not have any effect on the scope of total income or determination of total income in case of the eligible fund manager.

Income from ADRs / GDRs

Currently, a concessional tax treatment has been prescribed in relation to income from ADRs / GDRs.

As per the new Depository Receipts Scheme, 2014, ADRs / GDRs can be issued against the securities of listed or unlisted companies. Further, both sponsored

and unsponsored issues are permitted. ADRs / GDRs can be freely held and transferred by both residents and non-residents.

It is proposed to provide that the concessional tax treatment will be available only in respect of ADRs / GDRs of companies listed on a recognized stock exchange in India.

Furnishing of information relating to foreign remittance

Currently, a person responsible for paying to a non-resident any sum chargeable to tax is required to furnish information as prescribed. It is now proposed to extend the requirement to provide the information in respect of payments to non-residents, whether the sum payable is chargeable to tax or not.

Further, it is also proposed to levy a penalty of Rs100,000 for failure to furnish information or furnishing of inaccurate information, if there is no reasonable cause for the failure.

The proposed amended is effective from 1 June 2015.

Rules for determining eligible foreign tax credit

Currently, the Act does not provide the manner for granting credit of taxes paid in any country outside India. It is proposed to amend provisions of the Act to enable CBDT to make rules in this regard.

The proposed amendment is effective from 1 June 2015.

Amendments in tax regime of AIFs & REITs

Pass-through status for Alternative Investment Funds

Currently the Act provides for the manner of taxation of income received from a Venture Capital Fund (VCF) (as a sub category of Category 1 Alternative Investment Fund (AIF) under SEBI (AIF) Regulations 2012 (AIF Regulations) and Venture Capital Fund (VCF) registered under erstwhile SEBI (VCF) Regulations 1996 (VCF Regulations).

It is proposed to clarify that the existing manner of taxation shall apply only to existing VCF registered under erstwhile VCF Regulations and shall not include Category I AIF and Category II AIF registered under AIF Regulations, which are separately dealt with by insertion of a new regime discussed below.

ANALYSIS - India Budget 2015

- 1) A new section is proposed to exempt any income of an “Investment Fund”, other than the income chargeable under the head “Profit and gains of business or profession”. Correspondingly, the income accrued or received by a unit holder is proposed to be exempt from tax.
- 2) “Investment fund” means any fund established or incorporated in India in the form of a trust or a company or a limited liability partnership or a body corporate which has been granted a certificate of registration as a Category I or a Category II AIF and is regulated under AIF Regulations.
- 3) By virtue of the proposed amendment, the pass-through status is extended to:
 - i. all the Category I AIFs (i.e. AIFs which invest in angle fund, start-up or early stage ventures or social ventures or SMEs or infrastructure); and
 - ii. Category II AIFs (i.e. private equity funds or debt funds) which neither undertake leverage or borrowing (except for operational purposes) nor employs diverse or complex trading strategies.
 - iii. Salient features of the revised tax regime for the Investment Fund are as under:
 - a) Income from investments paid/ credited by fund will be deemed to be of same nature and proportion in the hands of Unit Holder as such income is received by/or accrued to Investment Fund.
 - b) Income from profits and gains of business will be taxable in the hands of such Investment Fund. All other income shall be exempt in the hands of the Investment Fund.

Income received by the Investment Fund from portfolio companies will not be subject to withholding tax – to be effected by way of a subsequent notification:

- 4) Income (other than business income) accrued or paid by the Investment Fund to a Unit Holder shall be subject to withholding tax of 10%
 - i. In a year when Investment Fund incurs losses, no loss will be allowed to be passed through to the Unit Holders and would be carried over to the next year by such Investment Fund.

- ii. DDT and buyback tax not applicable on payment of income by the Investment Fund to the Unit Holders.
- 5) Income of a Unit Holder of an Investment Fund will be chargeable to tax as if the investments were made directly by him. Business income (taxed at the Investment Fund level) will not be subject to tax in the hands of Unit Holders.
- 6) Investment Fund is required to file return of income or loss for every previous year.

Transfer Pricing

Raising the threshold for specified domestic transaction

The existing provisions of section 92BA of the Act define “specified domestic transaction” in case of an assessee to mean any of the specified transactions, not being an international transaction, where the aggregate of such transactions entered into by the assessee in the previous year exceeds a sum of Rs 5 crore.

In order to address the issue of compliance cost in case of small businesses on account of low threshold of Rs 5 crore, it is proposed to amend section 92BA to provide that the aggregate of specified transactions entered into by the assessee in the previous year should exceed a sum of Rs 20 crore for such transaction to be treated as “specified domestic transaction”.

This amendment will take effect from 1 April 2016 and will, accordingly, apply in relation to the assessment year 2016-17 and subsequent assessment years.

Other Amendments

Measures to curb black money

In order to strengthen the measures to curb the generation and concealment of black money from assets outside India as well as from transactions in India, it is proposed to enact comprehensive new laws on black money.

Introduction of a new Bill

A new law is proposed to be introduced in order to curb the black money in relation to foreign assets. The following are the key features of the proposed new law, as announced by the Finance Minister:

- 1) Offense of concealment of income and assets and evasion of tax in relation to foreign assets:
 - a) Liable for prosecution with punishment of rigorous imprisonment up to 10 years.
 - b) Offense will be non-compoundable
 - c) Offence will not be eligible for an application before the settlement Commission.
 - d) Levy of penalty at 300% of the tax liability
 - e) Confiscation of unaccounted assets held abroad.
 - f) Attachment and confiscation of equivalent asset in India where the asset Located abroad cannot be forfeited.
- 2) Non-filing of return or filing of return with inadequate disclosure of foreign assets
 - Liable for prosecution with punishment up to rigorous imprisonment 7 years
- 3) Income from undisclosed foreign assets or undisclosed income from any foreign assets
 - a) Taxable at maximum marginal rate
 - b) No deduction or exemption available therefrom
- 4) Beneficial owner or beneficiaries of foreign assets will be mandatorily required to file return even if there is no taxable income
- 5) Abettors will also be liable for prosecution and penalty.

Amendment to the provision of FEMA

Amendment to the provisions of FEMA for contraventions in relation to foreign assets, resulting into:

- a) Seizure and eventual confiscation of assets of equivalent value situated in India
- b) Levy of penalty and imprisonment up to 5 years

Comprehensive law for Benami Transactions

A more comprehensive Benami Transactions (Prohibition) Bill for black money from domestic transactions will be introduced.

Other proposals

- a) Prohibition to accept or pay an advance of Rs 20,000 or more in cash for purchase of immovable property.
- b) Quoting of PAN will be mandatory for any purchase or sale exceeding the value of Rs 100,000
- c) Third party reporting entities will be required to furnish information about foreign currency sales and cross border transactions.

Transfer of units in a consolidating scheme of mutual funds

It is proposed that the transfer of units held by an assessee in a consolidating scheme of mutual funds will be considered as an exempt transfer provided the consolidation is of two or more schemes of an equity oriented fund or two or more schemes of a fund other than an equity oriented fund.

It is also proposed that the period for which the units were held in the earlier scheme will be included for the purpose of calculating the holding period of units in the consolidating scheme. Further, it is proposed that the cost of acquisition of the units transferred will be the cost of acquisition in a consolidating scheme.

Cost of acquisition of a capital asset in the hands of resulting company

The existing provisions of the Income Tax Act do not have express provisions to determine the cost of acquisition of assets in the course of a demerger. It has been proposed that the cost of the asset in the hands of the resulting company should be cost of such asset in the hands of the demerged company as increased by the cost of improvement, if any, incurred by the demerged company. This amendment will not be applicable to depreciable assets.

Scope of charitable purpose broadened

The definition of the term charitable purpose is proposed to be broadened to include “yoga” as a separate category on the lines of education and medical relief.

It is proposed to provide that carrying on of any activity in the nature of trade, commerce or business, or any activity of rendering any service in relation to any trade, commerce or business, for a cess or fee or any other consideration will not be considered as a charitable purpose unless it is undertaken for such advancement of any other object of general public utility and the aggregate receipts from such activity during the previous year, do not exceed 20% of the total receipts.

Relaxation relating to accumulation of income by charitable trusts and Institutions

It is proposed that in order to avail the benefit of accumulation under section 11, the prescribed form will be required to be furnished on or before the due date for filing the return of income. Further, it is proposed that benefits of section 11 will not be applicable if the return of income is not filed on or before the due date of filing the return of income.

Exemption of specified income of Core Settlement Guarantee Fund

It is proposed that specified income of the Core Settlement Guarantee Fund by way of contribution received from specified persons, investment made by the Fund and penalties imposed by the Clearing Corporation will be exempt from tax. However, any amount standing to the credit of the Fund and not charged earlier to tax, will be taxed in the year in which such amount is shared with the specified person.

Deduction for employment of new workmen

Presently, a deduction equal to 30% of additional wages paid to new regular workmen, in excess of 100 workmen, employed in a factory manufacturing goods is available only to an Indian company. No deduction is allowed if the factory is hived off or transferred from another existing entity or acquired by way of amalgamation. It is now proposed to extend this benefit to all assesses having a factory employing new regular workmen in excess of 50 workmen. It is further proposed that no deduction will be allowed if the factory is acquired by way of transfer from any other person or as a result of any business re-organization.

100% deduction in specific cases

It is proposed that contributions made to Swachh Bharat Kosh and Clean Ganga Fund (other than sums spent by companies in pursuance to CSR) and National

Fund for Control of Drug Abuse will be eligible for 100% deduction without the overall 10% cap.

Interest for shortfall in payment of advance tax

Currently, in case of reassessment under section 147 or assessment in case of search or requisition under section 153A, the interest under section 234B for shortfall in payment of advance tax is charged from the date of intimation under section 143(1) or the date of the regular assessment till the date of reassessment under section 147 or section 153A. Here, the interest on additional tax is not charged for the period from the first day of assessment year to the date of intimation or regular assessment.

Also, in case an application is filed before the Settlement Commission declaring an additional amount of income-tax, there is no provision in section 234B for charging interest on the additional amount of Income Tax declared in such application from the first day of assessment year to the date of such declaration. It is proposed that interest will be charged on the additional tax determined in course of reassessment from the first day of the relevant assessment year till the date of reassessment under section 147 or assessment under section 153A. As regards the application before the Settlement Commission, it is proposed that interest will be levied on the additional amount of Income Tax declared from the first day of the assessment year to the date of making an application to the Settlement Commission. If the amount of total income disclosed in the application is increased by an order of the Settlement Commission, then interest will be payable from the first day of the assessment year to the date of such order of the Settlement Commission.

This amendment will be effective from 1 June 2015.

TDS on interest (other than interest on securities)

Currently, some co-operative banks do not deduct TDS on payment of interest to depositors, in respect of interest on time deposits, claiming the benefit of general exemptions which are applicable on payments made by co-operative societies to its members. It is proposed to expressly provide that the general exemption as mentioned above will not be available in respect of payment of interest on time deposits by co-operative banks to its members.

TDS provisions are proposed to apply in respect of interest on 'recurring Deposits'.

Currently, the computation of interest threshold limit of Rs 10,000 for deduction of TDS by a banking company or co-operative bank or a public company is made branch-wise. It is proposed that such computation will now be made by aforesaid entities (and not branch-wise) which has adopted core banking solutions.

The existing provisions provide for deduction of TDS from interest paid or credited exceeding Rs 50,000 on compensation received from Motor Accident Claim Tribunal, whichever is earlier.

It is proposed that TDS shall be made at the time of payment of such interest in a financial year exceeding Rs 50,000.

This amendment is effective from 1 June 2015.

TDS on payments made to transporters

Currently, tax is not required to be deducted on payments made to contractors of plying, hiring and leasing of goods carriage if the contractors furnish their PAN.

It is proposed to be clarified that the said TDS exemption is only available to transporters which own ten or less goods carriages at any time during the previous year and furnish declaration to this effect along with PAN to the payer.

This amendment is effective from 1 June 2015.

No TDS to be made in certain cases

It is proposed that no tax will be deducted on payment of accumulated balance in a recognized provident fund or any sum under life insurance policy to an individual if the individual furnishes to the payer a declaration in writing in the prescribed form (Form 15G/15H) stating that the tax on his/ her estimated total income will be NIL.

This amendment is effective from 1 June 2015.

Fee for late filing of TDS statement

It is proposed to provide that statement of TDS will be processed after taking into account the fee under section 234E, if any, payable for late filing of TDS statement.

This amendment is effective from 1 June 2015.

Relaxation in the requirement of obtaining TAN for certain deductors

To reduce the compliance burden of obtaining TAN for certain types of deductors, it is proposed that the requirement of obtaining and quoting of TAN shall not apply to the deductors or collectors as may be notified by the Central Government.

This amendment is effective from 1 June 2015.

Appeal against order denying approval to certain exempted institutions

Currently, order of the Chief Commissioner or Director General refusing to grant approval to any university or other educational institution or any hospital or other institution which enables them to claim exemption from Income Tax under section 10(23C)(vi) and section 10(23C)(via) are not appealable before the appellate authorities.

It is proposed that an appeal can be filed before the Tax Tribunal against the said order denying approval to such institutions.

This amendment will be effective from 1 June 2015.

Income limit for disposal of cases by single member bench of the Tax Tribunal

Currently, a single member bench may dispose of any case which pertains to the tax payer whose assessed income does not exceed Rs 500,000. It is proposed to increase the threshold limit of assessed income to Rs 1,500,000.

This amendment will be applicable from 1 June 2015.

Revision of assessments

Currently, if the Commissioner considers that any order passed by the Assessing Officer is erroneous in so far as it is prejudicial to the interests of the revenue, he may pass an order modifying or cancelling the assessment and directing fresh assessment.

In order to provide clarity, it is proposed that an order passed by the Assessing Officer shall be deemed to be erroneous in so far as it is prejudicial to the

interests of the revenue, if in the opinion of the Commissioner, the order is passed:

- a) without making inquiries or verification,
- b) allowing any relief without inquiring into the claim,
- c) not in accordance with any order, direction or instruction issued by Central Board of Direct Taxes,
- d) not in accordance with any decision rendered by the jurisdictional High Court or Supreme Court.

This amendment will be applicable from 1 June 2015

Mode of acceptance or repayment of any sum of money in relation to the transfer of an immovable property

Currently, no person is allowed to accept or repay any loans or deposits otherwise than by an account payee cheque or bank draft or electronic clearing system through a bank account, if the amount of such loan or deposit or aggregate of such loan or deposit is Rs 20,000 or more. Failure to comply with these provisions is liable for penalty equal to amount of loan or deposit accepted or repaid.

In order to curb generation of black money by way of dealings in cash in immovable property transactions, it is proposed to extend the above provision to include any sum of money accepted or repaid whether advance or otherwise, in relation to the transfer of an immovable property, whether or not the transfer takes place.

This amendment will be applicable from 1 June 2015.

Accountant who is not independent is not eligible to provide audit or certification services

Currently, section 288 defines the accountant, who can furnish audit reports and issue certificates for ensuring correct reporting and computation of taxable income by the tax payers.

In order to ensure the independence of the accountant, it is proposed to exclude certain related specified persons, except for purposes of representing the tax payer, from the definition of accountant. In the case of a company this includes

a person who is not eligible for appointment as an auditor in accordance with section 141(3) of the Companies Act, 2013.

This amendment will be applicable from 1 June 2015.

Procedure for appeal by tax authorities when an identical question of law is pending before the Supreme Court

Currently, the assessee has an option to submit a claim before the Assessing Officer or appellate authorities to keep the proceedings in abeyance and apply the decision of the High Court/Supreme Court when such order is issued in the assessee's own case for previous years. There are no corresponding provisions for tax authorities to not file an appeal for subsequent years where the department is in appeal on the same question of law for an earlier year.

It is proposed that the tax authorities can file an application with the Tribunal (with acceptance from the tax payer) in prescribed form stating that the appeal may be filed when the decision on the identical question of law pending before the Supreme Court becomes final. Further, where the order of the Commissioner of Income Tax (Appeals) is not in conformity with the final order of the Supreme Court (Supreme Court decides in favour of the Department), the tax authorities can file an appeal before the Tribunal within 60 days from the date of communication of the order to the tax authorities. If the acceptance is not received from the tax payer, the tax authorities can file the appeal before the Tribunal in the normal course of an appeal.

This amendment is effective from 1 June 2015.
